#### REPORT

The Gender Studies department conducted a socially responsible and awareness-building programme titled “Drug Awareness Programme” to educate students on the harmful effects of drug abuse and to promote a healthy, drug-free lifestyle. The session was handled by Dr. G. Selvarakku, who spoke on the physical, psychological, and social consequences of substance abuse, emphasizing the importance of prevention and selfdiscipline. The programme aimed to create awareness about the risks associated with drug use and to encourage students to make informed, positive life choices. The session concluded with a Drug Awareness Pledge, where all students promised to stay away from drugs and spread awareness among their peers. The programme was well-received, leaving the participants motivated to promote healthy lifestyles in their communities.
