Report

The Inaugural Ceremony of the Part V Programmes – 2025 was successfully held on **11th August 2025** at **Dr. Radha Thiagarajan Auditorium**, Thiagarajar College, Madurai. The programme began at 11:00 AM with a prayer, followed by the Welcome Address by **Dr. R. Binu Ramesh**, Assistant Professor, Department of Zoology. The Presidential Address was delivered by **Dr. D. Pandiaraja**, Principal of the College. The Inaugural Address was presented by **Dr. S. Saravanajothi**, Assistant Professor, Department of Tamil, and the Chief Guest was introduced by **Dr. D. Saravanakkumar**, Assistant Professor, Department of Physics.

The highlight of the event was the **Career Guidance Talk** by **Mr. K. Marimuthu**, Retired Thasildhar of Virudhunagar District, on the topic "*Career Dreams into Reality: A TNPSC Roadmap*". In his two-hour interactive session, he inspired students to prepare diligently for TNPSC, RRB, UPSC, and other competitive exams. He emphasised the importance of balancing ambition with humility, using vivid metaphors like “one eye on your old life and the other on your vision for a better future,” encouraging students to stay grounded even at the peak of success.

He motivated students with practical tips—such as visualising their dream achievements daily—and highlighted the benefits of government service, including salary increments, housing loans, and job security. Stressing preparation strategies, he advised focusing on *Pothu Tamil*, Indian and Tamil Nadu history, and mathematics. His motivational words culminated in urging students to strive for success so that one day they could return to their alma mater as chief guests, making their parents and teachers proud.

The interactive session saw enthusiastic student participation, including one student who declared her ambition to become an IAS officer, receiving ₹100 as a token of encouragement from the Chief Guest. The event concluded with the Vote of Thanks by **Mrs. Siva Durga**, Assistant Professor, Department of Biotechnology, and the National Anthem. The session left a lasting impact on the 650 first-year students who attended, inspiring them to pursue their career goals with determination and vision.
