5. Title: **World Aids Day**
6. Objective of the Programme:
 - To raise awareness about HIV/AIDS, its transmission, prevention, and available treatments
 - To reduce stigma and discrimination against people living with HIV/AIDS
 - To promote safe practices and responsible behaviour among youth and the community
 - To encourage HIV testing, counselling, and early diagnosis
 - To educate students and the public about the importance of ART (Anti-Retroviral Therapy)
 - To empower individuals with accurate information to prevent the spread of HIV
 - To support global and national efforts toward ending the HIV/AIDS epidemic.
7. Benefits of the Programme:

Celebrating World AIDS Day brings significant benefits by raising awareness about HIV/AIDS, its prevention, transmission, and the importance of early testing. The programme helps reduce stigma and misconceptions, fostering empathy and support for people living with HIV. It encourages voluntary testing and promotes timely access to treatment. By involving students, youth, and the community, the event strengthens social responsibility and collective participation. It also acknowledges the dedicated efforts of healthcare workers and volunteers. Overall, the celebration promotes public health awareness, compassion, inclusion, and supports national and global efforts to end the HIV/AIDS epidemic.

Write-up:

The Red Ribbon Club (RRC) of Thiagarajar College participated a meaningful and impactful programme in observance of World AIDS Day on December 1, 2025, in collaboration with the District AIDS Prevention and Control Unit (DAPCU), Madurai. The event aimed to raise awareness about HIV/AIDS, promote prevention strategies, and encourage community participation in building a healthier and more informed society

As part of the observance, students and faculty actively took part in an Awareness Rally, which served as a powerful platform to spread key messages on HIV prevention, the importance of early testing, and reducing stigma. Participants carried placards and banners, reaching the public with clear and impactful messages about safe practices and compassion toward people living with HIV.

A Pledge-Taking Ceremony followed the rally was conducted on the collector office, during which students committed themselves to spreading awareness, promoting safe behaviours, and eliminating discrimination associated with HIV/AIDS. This collective pledge reinforced the values of responsibility and empathy within the student community. To extend the campaign to the public sphere, an Auto-Top Sticker Pasting Campaign was conducted. Stickers with
