Write-up:

The Red Ribbon Club of Thiagarajar college, organized an awareness program on the occasion of World Ozone Day on 16th September 2025. The event aimed to emphasize the importance of the ozone layer, its role in protecting life on earth and the collective responsibility of humanity to safeguard it.

The program commenced at 2:00 PM with a warm welcome address by the organizers. The atmosphere was filled with enthusiasm as students, faculty members and guests gathered to mark this significant day. The session was presided over by Dr. D. Pandiaraja, Principal of Thiagarajar College, who highlighted the role of educational institutions in spreading awareness about the harmful effects of ozone depletion caused by pollutants like CFCs and emphasized sustainable practices that students can adopt in their daily activities.

Following this, the Felicitation address was delivered by Dr. S. Gandhidurai, Head of the Tamil Department. In his speech he connected environmental concerns with cultural and literary values stressing the deep bond with nature. The Programme officers Dr.P. Anbarasi and Dr. C. M. Archana, coordinated the event effectively.

The event concluded with a vote of thanks, expressing gratitude to all dignitaries, staff, and students for their participation. Over all the event concluded with the spread of awareness about the significance of the ozone layer and inspired the audience to take the proactive steps in environmental conservation.
