**Present a write-up within a maximum of 100 words:**

The value based lecture, which is the need of the hour, was conducted on 28.11.25. Associate Professor of Zoology and IQAC Director of our College Major Dr. N. Arun Nagendran delivered a value based lecture on Resilience, Responsibilities and Respect: Values for the future. Totally 117 students from Part Quality Circle (Aided & SF), SSL (Aided), Environment Enhancement Centre participated in it. He gave an enlightening talk on values. He started with self-respect and what one should hold in their life time. He explained the basic etiquettes that everyone should develop. He beautifully explained the resilience with the examples from Hiroshima and Nagasaki atom bomb consequences. The lecture was very interesting and informative. The students gave a very nice feed-back about his lecture and the values that they have to follow to uplift their life style.
