**Present a write-up within a maximum of 100 words:**

The Women Counselling Cell of the Department of Computer Science successfully organized an awareness programme on "Women Facilities" on 24th February 2025. The event aimed to educate and empower women students by providing insights into various facilities, challenges, and opportunities available to them. The programme was coordinated by Dr. A. M. Hema, Associate Professor and Women Counselling Cell Coordinator. The session featured insightful discussions by Ms. Nirmala Devi and Ms. Ruthra., who addressed key topics such as:

- The importance of women in society
- Government schemes for women's welfare
- Challenges faced by women in society and social media
- Success stories of women achievers

A total of 58 undergraduate students from the Computer Science Department actively participated in the session. The programme was well-received, fostering awareness and motivation among the attendees. This initiative by the Women Counselling Cell played a crucial role in enlightening students about their rights, opportunities, and the importance of self-empowerment in today's world. All staff members of the Department of Computer Science coordinated the programme.
