7. INVITATION:

.

8 . Present a write-up within a maximum of 200 words:

Dr. Muthamil mam insisted on girls habitats in college campus.

Our department staff insisted on Napkin disposal and cleanliness inside our campus.

The Department of Computer Science (SF) and the Girls Students Guidance Cell of Thiagarajar College , Madurai, organized an awareness programme on 31.07.2025 at the Diamond Jubilee Hall. The session, led by Dr. Madhumitha from Dr. Madhu's Homeo Care, focused on natural remedies for common issues faced by girls, including PCOD, bone health, hair growth, skin care, and menstrual hygiene.

The speaker emphasized lifestyle changes for managing PCOD—like a balanced diet, regular exercise, and herbal drinks such as fenugreek and spearmint tea. For bone strength, she recommended calcium-rich foods like ragi, sesame, and exposure to morning sunlight. Hair growth tips included using hibiscus oil, amla juice, and a protein-rich diet. Skin care routines with natural packs and hydration were advised for a healthy glow. Menstrual hygiene practices and natural remedies for cramps, like ginger tea and hot water bags, were also discussed.

The session was informative, interactive, and well-received by all participants. It promoted health awareness among girls through safe, home-based solutions.
