Present a write-up within a maximum of 100 words:

The awareness programme for girls on "**Menstrual Hygiene and Health Awareness for Girls**" was organized by the "**DEPARTMENT OF COMMERCE**" - '**B**' SECTION [SF]. The program emphasized proper disposal of sanitary pads in campus and public restrooms, highlighting the use of vending machines, disposal units, and designated bins. By promoting healthy habits, the initiative empowered girls to maintain good health, hygiene, and cleanliness, reducing infection risks. The program contributed to a cleaner and healthier environment, enabling girls to care for their physical and mental well-being. It equipped them with knowledge and skills to prioritize their health, fostering a positive and supportive community for girls to thrive.
